#### -Video Montage Preparation -

- Each Montage allows up to 50 photos; photos can be added for an additional fee per photo.
- Each picture must be numbered in the order that you want them to be shown.  
(The typical order is from younger years to older years).
- When number pictures, be sure to use a ball-point pen (DO NOT USE A MARKER)
- When you submit your pictures, you must provide two (2) top preferred songs to be played during the presentation of your montage. Please select a third song if you have selected more than 50 photos. (See attached sheet for song suggestions).
